YOUR ADVANTAGES

- ✓ **Perfect seams** – Rotating sewing kinematics ensure perfect and uniform stitches in all sewing directions.
- ✓ **Infinite rotation** – Limitless rotation in clockwise and anticlockwise direction without affecting the thread.
- ✓ **Compact design** – By having minimum rotating mass, the 911R reduces cycle times due to better dynamics than common turning head solutions.
- ✓ **Wide range of sewing areas** – Available in sewing areas 300 x 200 mm, 600 x 200 mm, 600 x 550 mm, 800 x 550 mm, 1.000 x 550 mm.
- ✓ **Easy transfer** – Reuse your existing material templates and seam programs to the 911R and get better seam results with minimum effort.
